

# WISCONSIN LUTHERAN COLLEGE

## Anne Reinhardt

Anne Reinhardt '20 is the current recipient of the WELS Nurses Association Annual Scholarship at Wisconsin Lutheran College. She is participating in clinicals at St. Luke's Hospital and Aurora Psychiatric Hospital. She also works part time as a CNA at an assisted living facility. Anne was deeply moved by her experiences on the nursing program's study abroad trip to Zambia in January and looks forward to a career in the orthopedic nursing field.

**Hometown:** Milwaukee, WI

**Home Church:** Christ Ev. Lutheran Church, Milwaukee

**High School:** Wisconsin Lutheran High School

**Why WLC?** I chose WLC because it offered a Christian environment with caring and passionate professors. I knew I would have a more intimate classroom experience with class sizes being smaller than those of a large public university. I was impressed with WLC's comprehensive nursing program and its close proximity to many clinical opportunities.

**WLC Activities:** Resident Assistant, Administration Building Receptionist, Concert Band, Student Nursing Association, pianist for chapel and vespers.

**“Thank you for the gift of your scholarship** – when it comes to finances, I would not have been able to attend WLC without support from people like you. WLC's nursing program has challenged me in surprising and unexpected ways. My experiences at WLC have shaped who I am, not only as a future nurse, but as a young Christian woman.” - Anne '20

### WELS Nurses Association Scholarship Fund Totals as of March 31, 2019

**Annual Total: \$2,773.00**

*An award of \$1,000 is planned for the 2019-2020 academic year.*

**Endowed Total: \$6,402.00**

*An endowed scholarship is permanently restricted and will fund a scholarship annually once the principal in the fund reaches \$25,000 or more.*
